FORCE 10 & GIANT UMBRELLA WINTER SERVICE

Your umbrellas are constantly exposed to the elements throughout the year. Umbrellas are highly stressed by wind, sun, UV rays and rain and require routine servicing and maintenance. Showpiece Design has an annual winter service that we would like to offer you to maintain your umbrellas and keep them functioning as they should. We offer this service from October to January.

Your benefits at a glance:

- We will collect, remove, return, and reinstall your umbrella
- The umbrellas are checked at our offices, framework cleaned, and repaired, if necessary, by arrangement
- All servicing (and repairs) will be performed according to the manufacturer's instructions
- Use winter months (Oct to Jan) to restore your umbrellas

The prices are per site, per umbrella up to 4m² or equivalent. Please enquire for more than 4no umbrellas:
